## A Word from the President

I noticed recently the humidity is rising, I am mowing every week and the mosquitoes are ramped. I guess that means summer is fast approaching. On a positive note, we have some events on our club calendar that will cure the summer doldrums and I hope everyone has marked them on their calendars. As usual this is a great opportunity to invite any potential members. Growth in the club is essential to our future, so please everybody spread the word to interested parties and lets grow our club. 100% growth is as easy as every member finding just one new member. That is all it would take in our fiscal year to double our size. Thank you again for your help and all that you do for the club. Don't forget to get signed up early for next years FSA ski trip to Steamboat Springs, Colorado.

Recruit, recruit, recruit!!
