

Trip of a Lifetime – Cruise to Alaska with optional land tour

Everything in Alaska is bigger, including the adventures. From the awe-inspiring blue ice of a massive glacial field to the expansive grandeur of its wildlife and nature, Alaska is a land of natural wonders. And, we are going to experience this on one of the best cruise lines in Alaska, Royal Caribbean Cruises.

Several from the Topeka Ski Club will be taking a trip to Alaska next summer and we would like to invite all Topeka Ski Club members to join us for a great trip and great company. The 7-night cruise will leave from Seward on May 28. Group rates are \$1899 and up per person depending on your cabin preference and includes airfare, cruise, meals, transfers etc.

Some of us will also be adding an optional 5-day land tour before the cruise, which will allow you a great opportunity to see more of Alaska. The cruise/land tour starts at \$3054 per person depending on your cabin preference and includes the airfare; cruise with meals, transfers, domed railcar transportation, hotel accommodations, and all the tours.

If you think that you might be interested, please contact Jan Stegelman at jstegelman@cox.net or Cheryl Howerton at chowerton@cox.net for all the trip details. The first deposit is due November 11 with final payment March 11, 2010.

*****We will be having a get together just before the Wine & Cheese Party at 6:30pm for all those who might be interested. We will also invite Kathy from Cruise Holidays to come to answer questions etc. Please RSVP to Jan at 785-640-1829 if you can join us*****
